---------------	---------------------	-------------------

Indicate desired seam position ( X or → ).

**Pool Dimensions**

**Slopes**

For Full-L pools with 12" radius corners or less, or small 45° cut corners, take all measurements from the imaginary intersection of the straight sides. For pools with radius corners over 12", fill out the Bahama Full-L shape page using the A-B Point system. If slopes are not standard, please fill in a slopes page.
